

GPS Project Postcard

National Metering Services, Inc.
Indian River County Department of Utility Services

Dear Water Customer,

Indian River County Department of Utility Services contracted with National Metering Services, Inc. (NMS) to obtain GPS coordinates of the meter/meter box that services your property. This process is noninvasive and performed near the meter box.

NMS technicians wearing highly visible safety gear and uniforms will be performing this service in your area over the next 3 weeks. Additional information can be obtained by calling NMS Toll free at 1-888-448-0009 and press 1 to speak to a Customer Service Representative. Questions can also be emailed to IRCDUSproject@nmsnj.com.

For additional information or questions about this project, please call:
1-888-448-0009

Meter Replacement Project Postcard

National Metering Services, Inc.
Indian River County Department of Utility Services

Indian River County Department of Utility Services contracted with National Metering Services, Inc. (NMS) to replace water meters throughout the county. The new meters being installed are read automatically using radio transmitters attached to the meter. Access to your home or business is NOT required. All meters are located in the meter box that services your property. This process takes about 20 minutes and your water service WILL BE interrupted. Customers are asked to secure loose pets on their property and make sure the meter area is clear for the safety of the meter technicians. If no one is home or your place of business is closed, you will receive a notice on your door stating the meter was upgraded.

NMS technicians wearing highly visible safety gear and uniforms will be performing this service in your area over the next 3 weeks. Additional information can be obtained by calling NMS Toll free at 1-888-448-0009 and press 1 to speak to a Customer Service Representative. Questions can also be emailed to IRCDUSproject@nmsnj.com.
